MEET SAWYER

Sawyer is our newest first grader. She says that her favorite parts of our school are drawing and crafts. She also likes recess and has found a special friend in Kayden. The two of them can be found in the treehouse, swinging together, or jumping on the trampoline. Sawyer is a great leader. She loves guiding friends to remember the rules. We are so happy she is here.

MEET WESTON

Weston is the first second grader to attend Discovery Christian Academy. He loves jumping on the trampoline and kicking the balls at recess. He and Finn get along especially well, but Weston tends to play with everyone. One day, he and Evelyn were having a blast jumping on the trampoline together. Weston is a kind boy and a great addition to our school.

THANKSGIVING LUNCH AND PLAY

Don't forget that Friday, November 19th is our Thanksgiving lunch and play at 11:30am. Our class wrote their own skit about the first Thanksgiving to perform for all of you. This week, we are working on costumes and sets. Mr. Alex made us a Mayflower and the students all helped to paint it. You won't want to miss these little pilgrims, and Wampanoags. They have been working so hard!

Next week, we are putting on our aprons to prepare the meal. On Monday, we will be making placemats, on Tuesday, we are making homemade cranberry sauce. Wednesday will be husking corn and baking cornbread. Thursday morning, we will help Mrs. Ruthie get the turkey in the oven, and in the afternoon we will make pumpkin pies. That leaves Friday morning for one last rehearsal, cutting the green beans, and setting the table. See you at 11:30am!

THANKFUL TREE

If you have time to stop by our classroom, check out our Thankful Tree. We have been talking about the different things that we can be thankful about. Among these are God's love, family, friends, animals, rainbows, homes, food, people who fight for our freedom, our country, school, books to read, and so much more!

OPERATION CHRISTMAS CHILD

Discovery Christian Academy is helping children in need around the world. Please participate by taking your child shopping to pick out a few items to fit in a shoebox. Bring the items to school on Wednesday, November 17th so that our students can pack up their boxes. Each of our students will pack a shoe box for a boy or girl, age 5-9. Favorite items are crayons, markers, notebooks, coloring books, picture books, deflated soccer balls with pump, dolls, stuffed animals, shoes, socks, toy cars, jump ropes and musical instruments. Please do not send items that require batteries or carry liquids. We are so excited to teach our children the joy of giving through this extra special service project.
