In order to keep our costs as low as possible for each child, Discovery Christian Academy requests families to volunteer either in the classroom, prepping materials at home, or helping with special events. We understand that families are busy, so we have developed a system that benefits everyone. If a parent has time to volunteer for at least 25 hours during the school year (less than 1 hour each week), we will be over the moon! If not, we totally understand, but with less volunteers, we require more paid assistance. In this case, we ask for a \$250/year donation to help us support a teacher's aide.

I agree to participate in the following way(s): Volunteer Donate

Person(s) Financially Responsible: _____

Discovery Christian Academy does not discriminate on the basis of race, color, nationality, or ethnic origin in administration of its educational policies, admissions, tuition assistance, or other school administered programs.

Discovery Christian Academy upholds a Biblical role, partnering with families to mold students to be Christ-like based on our school's Values and Statement of Faith. We believe in a loving and forgiving God. If a situation were to arise where the environment or circumstances within a students' home becomes counteractive to the biblical lifestyle and teaching of the school, and after discussing openly and working with the family without resolve, the school reserves the right, within its sole discretion, to refuse admission of an applicant or to discontinue enrollment of a student. It is our hope that these instances are rare as it is our desire to work with families to build each other up in Christ.

I agree that the information provided is correct. I also agree with Discovery Christian Academy's statement of faith, and I will work with this school to help my child in discovering God, a love of learning, and a servant's heart.
