

# INSIDE DISCOVERY

10.2022

DISCOVERY CHRISTIAN ACADEMY / (805) 807-6911 / DISCOVERYCA.ORG

## PARK DAYS

Your children probably say that we just eat lunch and play at the playground on park days. We actually teach P.E. skills like throwing, catching, hitting, kicking, balance, and more! Here are some highlights from the last few weeks.

## REMINDERS

**October 17th**

### Field Trip - Discovery Cube

We will meet at Dos Vientos Park at 8:15 am. Send a lunch and water bottle. We will eat at a park nearby.

**October 21st**

### Fall Open House - 1:00 PM

Please arrive on time as we have a full set of presentations.

## FIELD TRIP: DISCOVERY CUBE

Monday, October 17th is our first field trip this school year! We will meet at **Dos Vientos Park at 8:15 AM** and drive in parent vehicles. So far, I believe we have Anjanette, Carrie, Chantel, J'Nell, Melissa, and Shelly driving. If I missed someone, please let me know.

Discovery Cube is located at 11800 Foothill Blvd, Sylmar, CA 91342. We will park near Hansen Dam Skatepark off Osborne Street.

The cost for all students is covered by the school. Chaperones will pay Jenny the group rate of \$13.00 per person. Siblings under three are free. **Please only send a lunch and water bottle.** We will not have space for all the backpacks, and we don't want to be responsible for students leaving other personal items in another parent's vehicle.

After a demonstration on outer space, we will have time to "play" and visit the other exhibits in this children's museum. Before returning home, our school will have a picnic lunch at the playground, right outside the museum. We expect to return to Dos Vientos Park by 1:30 PM for you to pick up your child, but we will keep you posted based on traffic.

# PARENT OPEN HOUSE

**10/21 at 1:00 PM**  
**Arrive on time for our  
Back to School Presentation!**
