THANKSGIVING FEAST

Our Family Thanksgiving Feast was so amazing this year! Godspcak Calvary Chapel let us use their space, and the students had so much fun cooking for you and preparing for the event that whole week. Thank you for being part of the Discovery Christian Academy family. It is such a blessing!

REMINDERS

December 16th

Class Christmas Party

Your student won't want to miss our last school day of 2022.

We will have so much fun!

December 19th - January 2nd

Christmas Vacation

Please remember that we do not return until Tuesday, January 3rd.

Merry Christmas!

WE'VE BEEN BUSY!

This school year, we have been working so hard! In Bible Time, we are learning about JOY and how we can always be joyful because God sent His Son. We are reading Matthew 1:18-2:12 and Luke 2:1-40 to learn about Jesus' birth and God's plan to save us. In the afternoon, we are finishing our Christmas gifts and other mini-projects. In Language Arts, TK has officially made it halfway through the alphabet! We are working on reinforcing letters and their sounds. First graders have learned about nouns, plural

nouns, proper nouns, and adjectives. They start verbs this week. They are working writing longer sentences, remembering to capitalize the first word and add punctuation. 2nd/3rd graders are building on grammar they learned last year. They are working on linking verbs vs. helping verbs and pronouns vs. personal pronouns. They have started cursive and we are accelerating their paragraph writing skills. In Math, TK has learned to recognize, count, and write numbers 1-10. They also learned sorting and colors. Now they are reviewing shapes with games, puzzles, and playdough. First grade has worked through patterns, addition, subtraction, time, and more. We are now reinforcing skip-counting with money. 2nd grade hit addition and subtraction hard, then jumped to shape attributes and measurements. Now they are beginning multiplying concepts. 3rd grade has been multiplying, dividing, and working with larger numbers.
